

Coronavirus Statement - We Always Care

We have revised all of our processes and procedures and taking every precaution to ensure our team and our guests will be comfortable and safe whilst staying with us, whether in our guest rooms or dining in our bars and restaurants. We are continually working to Government guidelines in order to ensure all regulations are fully adhered to. You can be assured that health and safety of all our Lancaster Bangkok guests and colleagues alike is of the utmost importance to us, however our number one priority continues to be Guest Service, and our new protocols will be in line with our values as a five-star Hotel.

This is what you can expect when you visit us:

Our Hotel

- ❖ Whilst we pride ourselves on general cleanliness and housekeeping standards, we will increase the frequency of cleaning our public areas including lobbies, elevators, door handles, public bathrooms, etc.
- ❖ We will increase the frequency of our periodic full-scale sanitization regime.
- ❖ Antibacterial hand sanitizers will be available throughout the entire hotel.

Our Guests

- ❖ Guests will be respectfully temperature checked on arrival to the hotel, and will check in using the Thai Chana application, which enables a “track and trace” system in the event of an outbreak.
- ❖ Guests displaying symptoms will be advised on the best course of action.
- ❖ The gym and spa will be fully sanitized pre and post each guest usage, and there will be limitations on the number of guests in the pool at any one time.
- ❖ We will encourage guests to take advantage of our contactless check in and check out facility to avoid risks of contamination.
- ❖ PPE amenities will be available for guests upon request, hand sanitizer and masks will be provided as an in-room amenity to all guests.
- ❖ Buffets will be served by the restaurant team using approved distancing and PPE, and a la carte items will be available at breakfast alongside “zero contact” room service options.

Our Team

- ❖ Our fully vaccinated hotel team will be receiving ongoing briefings and enhanced operating protocols as well as extensive team training on latest government advice.
- ❖ The hotel has digital thermometers in place to check the temperature of every team member before their shift.
- ❖ Appropriate PPE will be worn by the hotel’s employees in all areas ensuring our team and guest safety at all times.
